I should add this is due to DOCCS losing a writ of habeas corpus.  
I am only responding to a phone call and don't have a file in front of me, but if the Court says let him out, we need to release him now.

Good morning

Our office has received a phone call from the Legal Aid Society inquiring why this person is still incarcerated.

The chrono notes from March 26 say he is to released that day.

Can you give me an update

Thanks
